

My Maths Journey at Grow - Phase 1

Unit 2 - Place Value & Proportion

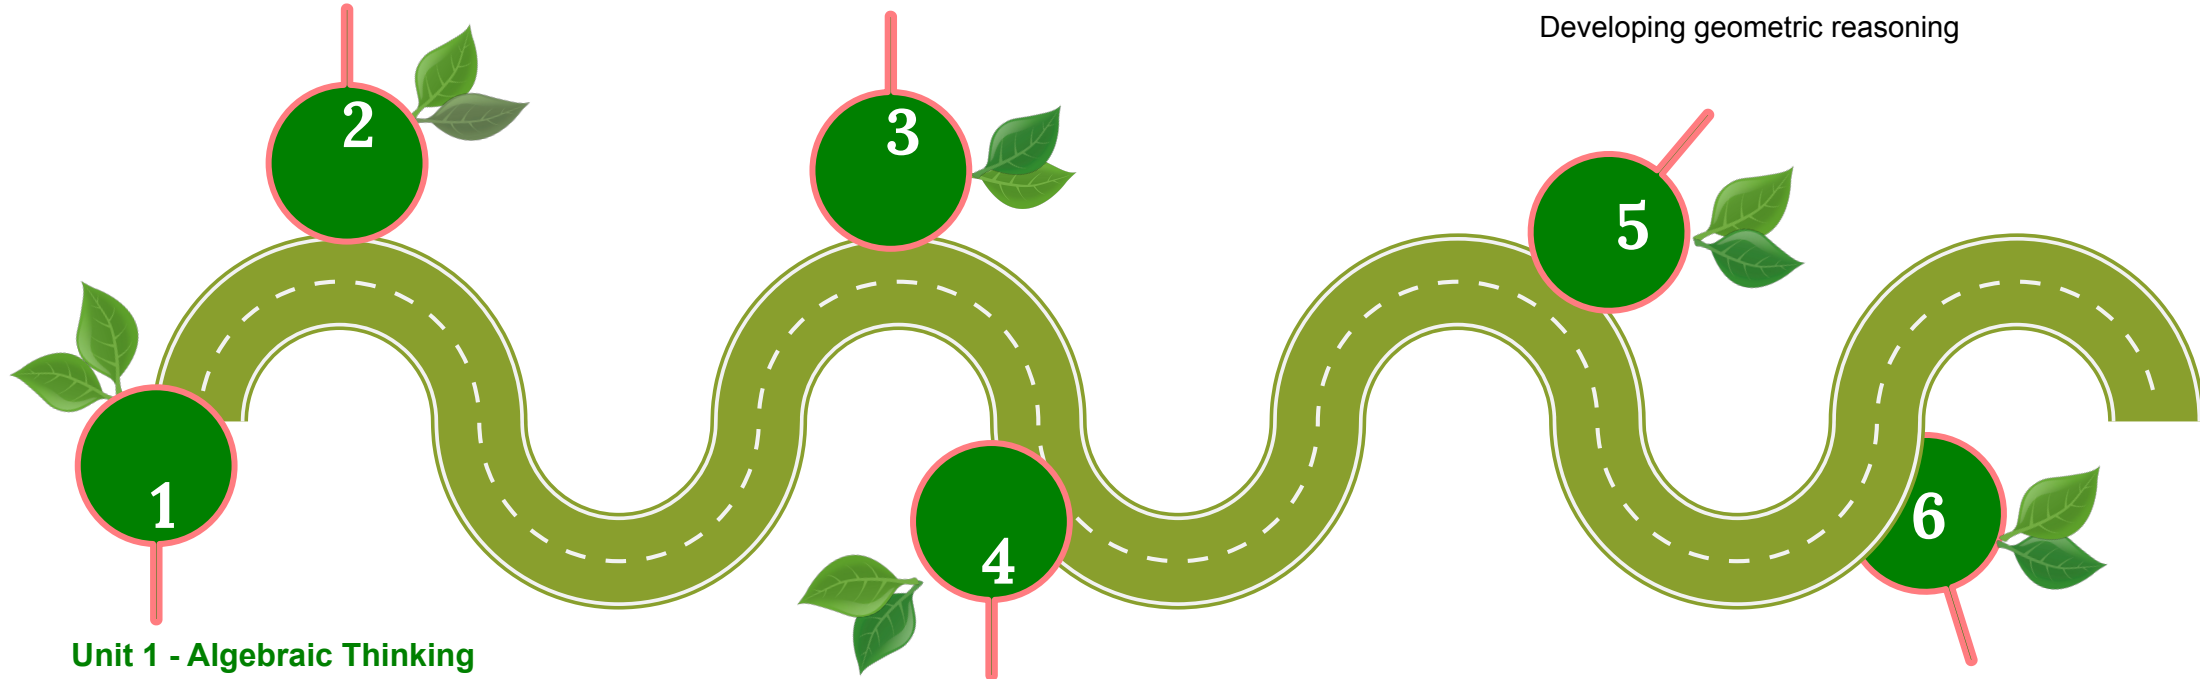

Place value & ordering integers & decimals
Fraction, decimal & percentage equivalence

Unit 3 - Applications of Number

Solving problems with addition, subtraction,
multiplication and division

Unit 5 - Lines & Angles

Constructing, measuring and using geometric notation
Developing geometric reasoning

Unit 1 - Algebraic Thinking

Sequences
Understanding and using algebraic notation
Equality & equivalence

Unit 4 - Fractions, Percentages & Directed Number

Fractions & percentages of amounts
Operations and equations with directed number
Addition & subtraction of fractions

Unit 6 - Reasoning with Number

Developing Number Sense
Sets & Probability
Prime Numbers & Proof.
