## Amazing things we have been up to this week!

### British Science Week

Well done to our Pupil Professors, who have engaged in many scientific enquiries and investigations this week! Some of which have included; dissecting a heart (not for the faint hearted), catapulting marshmallows (tasty work), and creating explosions! The pupils have been able to get hands on with practical learning which covered a range of scientific theories and laws including Newtons 1<sup>st</sup> and 2<sup>nd</sup> laws of motion, neutralisation reactions and the heart and circulatory system.

### Library Visit

Some of our pupils visited Barrowford library on Thursday morning. All pupils displayed impeccable manners during our library tour and book hunt! We continue to be extremely proud of the conduct of our pupils when we are out and about in the local community - keep it up. Now we have our own library account, we will be visiting and enjoying a library hour every couple of weeks. Pupils will be able to take part in library activities and borrow books to enjoy during our reading sessions at school.

### Farm Friday

Today we have walked a mile in knee high Heather! We have reached the top of Kelbrook Moor and we could see the whole of Pendle and parts of Yorkshire!

## Important Information

We have uniform on site should anyone wish to purchase. Polos are £15, and Hoodies are £21 – please email the office.

## What's on next week?

We will be introducing pupils to Pupil Parliament and the four committees they will be representing. Look out for future updates on this.

We will be continuing to make plans to develop our outdoor space, the development of which will be led by the pupils.

**Thursday** – Barrowford Library visit 10am,  
Empower Gym 2pm

**Friday** – Harwes Farm Visit (LG/OJ/SW)
