Amazing things we have been up to this week!

Students have followed their usual timetables this week following some disruption after careers week and science week. In **KS3 English** we have covered Myths and Legends, creating our own mystical creature. In **KS4 English** we have continued studying The Inspector Calls and have started looking at Shakespeare's Macbeth. In **Functional Skills Maths** we have been looking at 2D shapes and 3D shapes and have been outside in our garden area drawing these with chalk. In **KS3 maths** we have been looking at rounding numbers and have used the narrative of Lazy Bunny to help us with this! In **history** we have continued looking at the invasion of Britain focussing on Anglo Saxons where students have written secret messages to each other using Lunas!

In **personal development** we have been learning about manners and would like to mention that we have been absolutely blown away with the manners and behaviour of our students, as always, and especially when out in the community. The students visited **Barrowford Library** again this week and will go there fortnightly when they return after Easter. In our **creative** sessions this week, students have been making easter baskets which will be filled with treats and delivered to the local people of Barrowford who support us in our community visits, watch this space!

PE at Grow

PE is a compulsory subject at Grow and we aim to provide a varied choice to ensure all our students are accessing support for their physical and mental wellbeing. As our numbers grow, we are able to offer more choice each week. Each PE lesson students will be offered an indoor choice and an outdoor choice. We will continue to work with Empower Gym, so the indoor choice will be delivered there. The outdoor choice may be walking, running, ball skills etc, so please ensure your child dresses appropriately for these sessions. PE is currently Thursday at 2pm.

Farm Friday

Today we have been planting and looking at insects. A late return due to transport – apologies for any inconvenience.

What's on next week?

| | AM | PM |
|-----------|---|---------------------------|
| Monday | | |
| Tuesday | | Baking/Chocolate Activity |
| Wednesday | | |
| Thursday | Delivering Easter baskets to Barrowford community | Empower Gym – 2pm |
| Friday | School Closure – Return 23 rd April | |

Important Information

We will endeavour to take our learning outside as much as possible and go into the community to enhance life skills and make links to classroom based learning. Please ensure your child always has suitable clothing for walking – Coats etc! Students do have their own lockers to keep items safe.

Easter – Three week break followed by a teacher training day. Students return to Grow on Tuesday 23rd April.

We are on the hunt for donations to our outside area. Any plant pots, soil, garden accessories are very much wanted and appreciated!
